Inspired by historic buildings of Italy's Rome, the Rome freestanding stone bathtub presents a unique downwards concaving rim that will give your bathroom a classic and extravagant appearance. The Rome composite stone bath can be complemented with our Petra stool.

PIETRA BIANCA MATERIAL

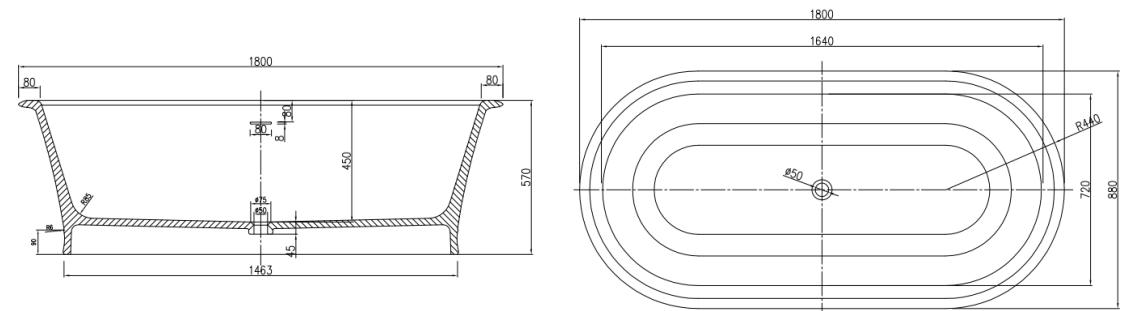

The Rome freestanding bath is made from our eco-friendly non-porous composite stone material. Created from our unique blend of reclaimed marble, limestone and engineered resins, our composite stone offers great heat retention, durability, is environmentally friendly and warm to the touch.

Please note, due to the handmade nature and the high content of natural stone, colour and dimensional tolerances apply.

Approximate weight: 145kg
