Briza colección

TIMELESS CALM

The Briza draws inspiration from the graceful rhythm of classical fluted columns, reinterpreted through a lens of modern minimalism. Defined by harmony and proportion, Briza embodies a quiet sophistication — a statement piece that transforms simplicity into timeless elegance.

A modern bathroom interior. On the left, a light-colored bathtub with a gold faucet is positioned in front of a large window that looks out onto a beach and the ocean. To the right, a vanity with a green marble countertop and a gold faucet holds a white sink. Above the sink is a large, rectangular mirror with a gold frame, flanked by two cylindrical wall sconces. The wall behind the vanity is covered in a grid of square tiles in various shades of gray and white. A dark vertical bar runs along the right side of the vanity. Below the countertop, a shelf holds several folded white towels. A potted plant is visible on the far right.

Duette *collection*

BALANCE IN DUALITY

Duette embodies the beauty of balance — two gentle forms seamlessly united in perfect symmetry. Its soft contours and subtle divide create a dialogue between strength and serenity, giving the design a sculptural yet effortless presence.

Linea colección

SCULPTURAL SIMPLICITY

Linea unites organic softness with architectural form. The rounded basin rests effortlessly atop a slender pedestal, creating a seamless balance between strength and serenity. The contrast between smooth curvature and vertical simplicity evokes a quiet sophistication — a timeless expression of modern artisan design.

A modern bathroom interior with a minimalist design. The walls are made of light-colored stone or concrete. A large, circular mirror is mounted on the wall, illuminated by a warm, ambient light. Below the mirror is a stone sink with a black faucet. To the left of the sink is a small, black, cylindrical towel rack holding a white towel. On the left side of the image, a white countertop holds a vase with dried flowers. The floor is made of light-colored tiles. The overall atmosphere is warm and sophisticated.

Unique *collection*

ARTISTIC FORM

The Unique Collection celebrates the artistry of form — where movement meets stillness, and sculptural expression finds harmony with minimalist design. Each piece embodies the essence of natural craftsmanship, refined through contemporary sensibility.

A modern outdoor water feature, the 'Arlo' collection, is shown in a garden setting. The feature is a large, shallow, bowl-shaped basin with a smooth, light-colored finish. It is surrounded by lush greenery, including tall, thin trees and dense hedges. In the foreground, there are purple lavender plants. A gold-colored faucet is visible on the right side of the basin. The overall scene is serene and elegant.

Arlo collection

GROUNDED ELEGANCE

The Arlo draws inspiration from the profound stillness of monolithic forms, reinterpreted through a lens of contemporary purity. Defined by its sweeping, continuous curves and perfectly balanced geometric silhouette, Arlo embodies a deep sense of tranquility.
